- Your referring physician will review your imaging results
- You will be able to review the radiologist's report when it becomes available
- To understand the results of your imaging, please consult with your physician directly*

*Colorado Springs Imaging does not provide consultation services regarding your imaging results.

By texting "image" to the number above, you consent to receive messages from Colorado Springs Imaging that utilize an automatic telephone dialing system to deliver a text message that may describe Colorado Springs Imaging's services. Communications may include appointments, physician orders, scheduling, reminders, instructions, requests for information, myImages, radiology reports, other pertinent messages and patient surveys. You understand the messages may contain personal health information that you agree to receive at the number you provide. Please understand that you are not required to provide your consent in order to obtain services from this provider. You may opt-out of receiving text messages at any time.
